About Your Presenter, Sophia Falke. I had a "pretty good" life for the first 30 plus years of my life but then discovered something was missing and that "good" is the enemy of "great." Thus began my (sometimes very painful) journey to transform "is that all there is?" into a life of expansion and joy. Now I take pleasure in guiding and supporting you through a proven success formula so you too can transform your life. I could talk about my degrees and job experience, but my biggest joy is helping you through workshops, coaching, webinars, and my book, *Never Too Late: A Guide to Living the Life You Love* (due Winter 2016).
